Doc. # 19. Upon due consideration, the Court finds that the instant motion [19] will be

**GRANTED.** Accordingly, the petitioner has an additional twenty-one (21) days from the date of this order in which to file any objections to the Report and Recommendation entered in this cause.

<sup>1</sup>The Court notes that there is reason to believe that the petitioner did not sign the instant motion himself. On February 25, 2021, the Court received a phone call from a Mississippi Department of Corrections employee who advised that another inmate had signed both the instant motion and the most recent acknowledgment of receipt. The Court cautions the petitioner that such actions are not permitted, and that only he may sign pleadings for cases in which he is the named plaintiff. *See* Fed. R. Civ. P. 11 (a).
